初一英语作文范文1：愚人节

On April Fool's Day, my sister announced she had turned our pet goldfish into a talking one. Intrigued, I rushed to the fishbowl to find it wearing a tiny hat and "speaking" with a cartoon voice thanks to her hidden speaker. My jaw dropped, and she couldn't stop giggling. The fish looked more confused than magical, making it the funniest April Fool's trick I've ever seen!

在愚人节那天，我妹妹宣称她把我们的宠物金鱼变成了会说话的金鱼。好奇之下，我急忙跑到鱼缸前，发现金鱼戴着一个小帽子，通过她隐藏的小音箱用卡通声音“说话”。我目瞪口呆，而她则笑个不停。那条金鱼看起来不是神奇，而是更加困惑，这成了我见过的最搞笑的愚人节恶作剧！

初一英语作文范文1：我的父亲

My father is a distinguished engineer, known for his meticulous attention to detail at the construction site. He rises before dawn, his hands adorned with blueprints and his mind filled with calculations. Even after a day spent overseeing massive machinery and complex designs, he returns home with stories that inspire me. His dedication to constructing the framework of our city has instilled in me a profound respect for architecture and a strong work ethic.
